OUR ACHIEVEMENT IN 2025

- ✓ All our children (39) of them fed 3 times daily for the year.
- ✓ 5 children was enrolled and paid school fees for 2025/2026 session.
- ✓ Medical and vaccination

CHALLENGES

We encounter a lot of challenges

- ✓ Rising cost of food stuff
- ✓ Need of school bus:- We sincerely thank NWAG and all donors who supported us in 2025. May God continue to bless you abundantly. Long live NWAG.

Our plan 2026 is to have a bus. Currently, we do not have a reliable means of transportation. This affects the children daily school runs, medical appointment, church activities and participation in external programs.

We appeal for continued support.

Thanks.

Best wishes

Obioma.
