CHILD LOVE AND PROTECTION ADVOCACY INITIATIVE (CLAPAI ORPHANAGE HOME)

1. Executive Summary & Acknowledgement
Child Love and Protection Advocacy Initiative (CLAPAI Orphanage Home) extends its deepest appreciation to the executive leadership, members, and supporters of the Nigerian Women Association of Georgia (NWAG). Your faithful sponsorship and sustained commitment continue to play a pivotal role in transforming the lives of vulnerable, orphaned, and less-privileged children in Plateau State, Nigeria.

Through NWAG's support in 2026, CLAPAI has maintained safe housing across our three facilities, provided quality nutrition and specialized medical care, and ensured uninterrupted educational opportunities for all children under our care.

2. Contact & Physical Location Information
Name of Organization: Child Love and Protection Advocacy Initiative (CLAPAI Orphanage Home)
Contact Person: Kyenpiya Nyabam (Founder & Executive Director)
Phone Number: 0703 269 2632
Social Media:
Facebook: https://www.facebook.com/clapai1
YouTube: https://youtube/@clapaiorphanagehomes?si=IN3Hcf6veh1XXMf0
Physical Addresses (3 Homes):
Primary Home: CLAPAI Orphanage, Kangang Sarki, Dadin Kowa, Jos, Plateau State, Nigeria
Secondary Home: CLAPAI Orphanage Home, Zarazon, Jos East, Plateau State, Nigeria
Specialized Care Home: CLAPAI Special Care Home (Dedicated facility catering specifically for children with special needs, including sickle cell disease, HIV, autism, chronic trauma, and specialized health challenges).

3. Children Profile & Demographics
Total Number of Children in Care: 108 Children
Age Range: 3 to 19 Years Old
Demographic Breakdown & Welfare Overview:
Early Childhood (Ages 3–6): Focus on foundational early childhood education, nutrition, and holistic physical growth.
Primary & Basic Education (Ages 7–12): Active enrollment in formal schooling, literacy enhancement, and character development.
Adolescent & Secondary Level (Ages 13–19): Senior secondary academic support, career counseling, mentorship, and practical life-skill training.
Special Needs Support: Dedicated medical monitoring, tailored therapies, specialized nutrition, and medical care for children living with sickle cell disease, HIV, autism, chronic trauma, and long-term health conditions.

4. 2026 Program Updates & Completed Projects
During the year 2026, CLAPAI successfully implemented several key initiatives across our three home facilities:

CLAPAI 20th Anniversary Celebration & "Heroes of Humanity" Awards:
Milestone: Celebrated 20 years of loving, protecting, educating, and restoring vulnerable children (2006–2026).

Theme/Tagline: "20 Years of Love. 20 Years of Service. 20 Years of Changing Lives — Honouring the Heroes Who Helped Us Get Here."
Event Details: Held on Sunday, 20th September 2026 at Odiline Event Center, Jos.
Highlights: Officially honoured past and present staff, volunteers, teaching-practice personnel, NYSC corps members, caregivers, and supporters with the "Heroes of Humanity" Service Award for their dedication and service over the past two decades.
Educational Continuity & Performance: Ensured full tuition coverage, textbook provision, and academic monitoring for all school-aged children across primary and secondary schools in Jos.
Health & Special Needs Care: Conducted regular health screenings, managed specialized treatment plans and medical management for children with sickle cell, HIV, autism, and chronic health challenges.
Facility Improvements: Executed necessary maintenance and renovation works across all home facilities to enhance safety, accessibility, and living conditions.
Life Skills & Youth Mentorship: Facilitated mentorship programs for adolescents (ages 13–19), introducing computer literacy and vocational training modules.

5. Future Projects & Pipeline Initiatives
In line with our continuous growth and vision for the coming year, CLAPAI plans to execute the following projects:

Digital Learning & Resource Hub: Establish a dedicated mini computer laboratory equipped with learning devices to build digital skills for older children.
Facility Expansion & Specialized Care Enhancement: Expand living and medical care accommodations across our facilities to comfortably support special needs requirements and growing space needs.
Vocational & Enterprise Skill Development: Introduce structured practical workshops (tailoring, crafts, and agricultural projects) to foster self-reliance among youth transitioning into adulthood.

6. Bank Account Information
