Dearly Beloved Patron,

ANNUAL REPORT FOR 2026

Warmest greetings to you all from the Founder, Trustees, Missionaries and the children of the Little Saints Orphanage.

We write with hearts full of gratitude to sincerely thank you our dear Esteemed Mothers of NWAG for your unwavering love and consistent support year after year. Your yearly sacrifice has been a great pillar for this ministry, it has helped our children vulnerable, abandoned children and young women in communities to keep learning, growing and dreaming big. You have not just given money, you have given hope, dignity and a future.

By God's grace all your beneficiaries are doing well academically. Everyone of them moved to new classes with good results this session.
This year again, as the Lord has laid it in your hearts to support us, we want to humbly let you know that we intend to still channel the entire support directly into the EDUCATION SPONSORSHIP OF THE CHILDREN. Your seed will continue to speak for these children.

The N1, 061, 000 electronic transfer we received was used to pay the fee for five (5) of our Little Saints in Nursery (2), Primary (6) & Secondary (2) for the 1st term 2025/2026 academic session. Education is our priority.

We pray that God Almighty who sees in secret reward you all openly. God will continue to bless the works of your hands, keep your families, preserve your marriages and cause your children to rise and call you blessed.
May your association continue to grow from strength to strength and may you never lack helpers in your time of need in Jesus name.

We have 190 children in 6 homes (90boys and 100girls) from 7years to 23years old. We have 6 graduates this year 2025/2026 doing their NYSC, 10 new in take this 2026/2027 session, we have 23 undergraduates this session. Our challenge is still on paying fees for our undergraduates.

We deeply appreciate your continuous support. God bless you all.

Yours Truly,

REV. (MRS) DELE GEORGE
